Dr. Keith W. Hiltz, Superintendent of Schools

September 7, 2023

Dear Wausau School District Families:

Now that we are in the second week of school already (can you believe it?!), we are reaching out to you to share some information about a vital communication tool for parents of students who utilize First Student (yellow buses) to get to and from school.

The FirstView® app, which we utilized last year, tracks your student's bus AND it can provide updates on bus cancellations: weather, or otherwise. Since the start of the school year, there have been a few glitches with the app. We've worked through those and now it's officially working as it should! So, if you haven't yet, now's the time to download it. You can click [here](#) to learn more.

To help ensure you have everything you need to get set up, we are providing you with a Quick Start Guide, which is available by clicking [here](#). If you'd prefer to register with your student's ID, click [here](#). If you don't have your student's ID or can't remember what it is, remember you can always access it in Infinite Campus. That said, if you have any issues, please call the Longfellow Administration Center at 715-261-0500 and we'll gladly assist you.

AN IMPORTANT NOTE: In order to receive bus cancellation notifications, you need to ensure notifications are allowed for FirstView® in your phone settings. We encourage you to add up to 3 emails that will receive these notifications. You can do this by navigating in the app to Settings>Notification Recipients.

As always, thank you for being a valuable partner to us! We're so glad you're here!

Thank you,
Wausau School District Administration

It is the mission of the Wausau School District to advance student learning, achievement, and success.
