Dr. Keith W. Hiltz, Superintendent of Schools

September 22, 2023

Dear Wausau School District Parents/Guardians:

As the week comes to a close for you and your students, we are reaching out to answer questions we're getting about the Wausau School District's COVID-19 procedures.

COVID-19 is treated similar to other viruses like the flu. That means you should keep your child home if they are sick. If you suspect it's from COVID-19, get them tested and share any positive results with us. If your child tests positive, we do recommend isolation, but please know it is not required. If you choose to isolate your child, absences for COVID-19 will be documented just like any other reason they would miss school.

We hope this email answers the questions you may have. If not, please know that you can always reach out to your child's school and speak with a nurse or health aide on staff. You can also reach out to the Longfellow Administration Center at 715-261-0500 and we'll gladly get you to the appropriate people who can help.

As always, we value your partnership and are always ready to help answer any questions you have.

Thank you,
Wausau School District Administration

It is the mission of the Wausau School District to advance student learning, achievement, and success.
