

# RAMS FRYSC

---

Dear Ram Family,

The RAMS Family Resource and Youth Services Center will remain open throughout the school closure. In times of uncertainty we understand the added stress families face. Please reach out to our office if you are in need of services, connected with community resources, or aren't sure where to turn. We're here for all District families regardless of income.

Please don't hesitate to call our office at 606.833.1104.

Sincerely,  
Emily Stephenson
