

## Carberry Elementary School

Emmett School District  
Greg Alexander, Principal

---

### Highlights:

- ★ Door locking mechanism should be installed on October 6th during PD day.
- ★ We held our 1st evacuation drill on the day of Homecoming since the buses were coming for all students anyway. We were loaded on buses within 20 minutes. We have a few areas to improve but overall a success. We noticed that some of our staff phones are androids and the E3 program is working on fixes for those phones.
- ★ Dave Anderson is our new Community School Liaison has written a grant to get another day of after school support for students that will be identified for help from our RTI list. I will let you know when we find out if we got it. It is focused around the library and getting students help in reading.
