IMPORTANT REMINDER - ATTENDANCE MATTERS

Viking Families,

One of our goals at SM West this year is to improve student attendance, especially our chronic absenteeism.

Chronic absenteeism is defined as missing 10% of the school year, or just 2-3 missed days a month.

Chronic absenteeism is NOT truancy.

Chronic absenteeism includes both excused and unexcused absences, whereas truancy includes only unexcused absences (truancy is filed at 10 unexcused absences) .

Please click this link for definitions of excused and unexcused absences: [SMSD Definition of Excused and Unexcused Absences](#)

Last year SM West's chronic absenteeism was at 38%, while the state average was at 19%. We can and must do better. Please take a few moments and read through [THIS LETTER](#) to find out how you can help us improve our chronic absenteeism.

Each month we will share with our community our chronic absenteeism data beginning at the end of September.

Thank you.

Familias SMW (Vikings),

Uno de nuestros objetivos en SM West este año es mejorar la asistencia de los estudiantes, especialmente nuestro ausentismo crónico.

El ausentismo crónico se define como perder el 10% del año escolar, o solo 2-3 días perdidos al mes.

El ausentismo crónico NO es ausentismo escolar.

El ausentismo crónico incluye ausencias justificadas e injustificadas, mientras que el ausentismo escolar incluye solo ausencias injustificadas (el ausentismo escolar se presenta a las 10 ausencias injustificadas)

Haga clic en este enlace para ver las definiciones de ausencias justificadas e injustificadas: : [SMSD Definition of Excused and Unexcused Absences](#)

El año pasado, el ausentismo crónico de SM West fue del 38%, mientras que el promedio estatal fue del 19%. Podemos y debemos hacerlo mejor. Por favor, tómese unos minutos y lea a través de esta carta [THIS LETTER](#) para saber cómo puede ayudarnos a mejorar nuestro ausentismo crónico.

Cada mes compartiremos con nuestra Comunidad nuestros datos de ausentismo crónico comenzando a finales de Septiembre.

Gracias.

SM West is so very excited to share with our community our West Reads selections.

Each week a different student that might represent one of our clubs/organizations/teams here at West is asked to choose a children's book to read aloud and be recorded. The recording is shared with our elementary feeder schools. This is such a great way to showcase some of the amazing leaders we have in our community and I know the elementary students love seeing the high schoolers sharing literature with them.

We hope you enjoy these editions and will forward to future editions.

The next two weeks we are highlighting SMW Latinos of Tomorrow. Shante and Shelsea Duarte read "Let's Be Friends / Seamos Amigos" by René Colato Laínez and Nomar Perez. They will also be reading "The Life of / La vida de Pura" by Patty Rodriguez and Ariana Stein.

CREATING THE SCHOOL-STUDENT-HOME RELATIONSHIP.

As a parent of an elementary student, volunteering to help the school seemed easy: Bring treats to a classroom party, help chaperone a field trip, chip in for a school fundraiser...etc. But is it still necessary when my student in high school?

The answer is Yes!

It is important that the school and families work together to create the best educational experience for our students.

One great way to provide that support is to make it a priority to attend parent teacher conferences. If you are unable to come in person, then reach out to your children's teachers to schedule a phone call or a WebEx meeting.

Another way is to come to a Shawnee Mission West event like a concert or a sporting event or the Senior Viking Pageant. Even if your student isn't performing, playing, or competing, show your student the importance of creating a school culture and support their fellow students.

Many parents find great satisfaction in volunteering to support the school. If your student is involved in an extracurricular activity, chances are they have a parent group that supports the activity. Maybe you will sign up to help coat check for the dances or provide a food item for a team dinner or for the West Staff. Some of you might even be interested in becoming a [SMSD MVP](#).

Many parents think they may not have time to come to an event or to volunteer to help, but even small contributions can make a big impact.

Research shows that being a parent volunteer positively impacts schools in various ways – it strengthens school-home partnerships, improves student academic performance and behavior, fosters a sense of community, and boosts teacher morale. Schools with higher parental involvement also report lower rates of absenteeism and dropout and higher graduation rates.

As our year continues to progress, take time to read the newsletters to find out how you can support our Viking Nation. We can't wait to see you.

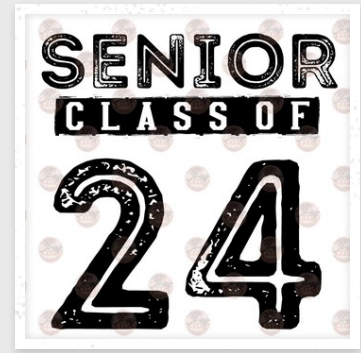

ATTENTION SENIORS

Your May 21st Graduation Day seems far away, but the time will go by quickly. Here is a message that was sent to all senior families.

NOTE ABOUT DISMISSAL PROCEDURES AND REMINDER ABOUT STUDENT PARKING

Please help us keep our school dismissal safe.

Our school busses line up along the circle drive in the front of the building and leave approximately 7 minutes after the 2:40 bell rings.

For the safety of all our students, we would ask that parents that are driving to pick up their students plan to arrive after the busses leave the premises. Cars lining up on 87th street waiting to enter the front driveway does not created a safe situation.

Thank you for your support in telling your students that you will pick them up after the busses leave the circle.

REMINDER: ALL students who park in the WEST student parking lot need to have purchased a parking sticker and that sticker should be placed on their car. Students should make sure that they are parking only in the designated student parking areas and not staff parking.

Please refer to the information below.

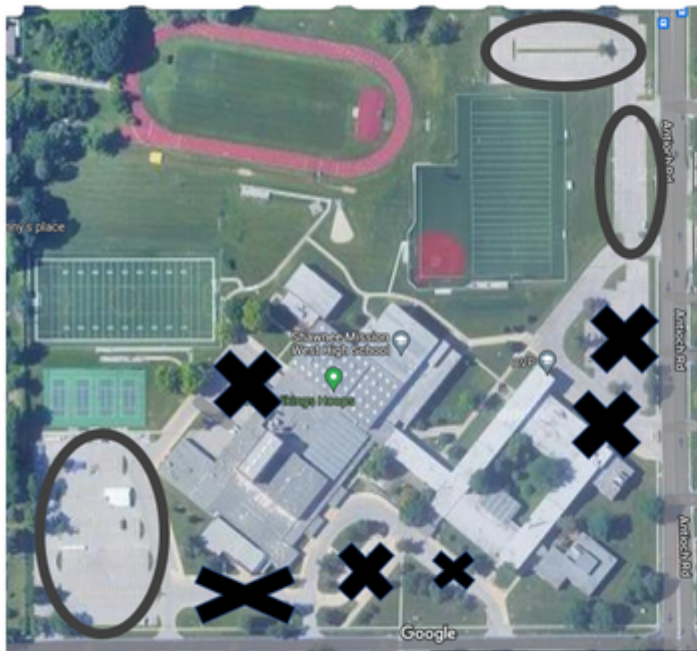

PARKING PERMITS

Sophomores, Juniors and Seniors are able to park on campus at SM West. A parking permit must be purchased and a parking sticker picked up from our Security personnel in the front entrance.

Parking is \$50 for the year.

It is extremely important that students only park in assigned areas for students, and not staff parking. Tickets will be assessed by our security staff. All rules and regulations are listed with the parking application. See the PDF below.

Also included is a map of West parking.

The circled spots on the map are where students can park.

The X's indicate STAFF parking.

Students are excluded from parking in the staff spaces.

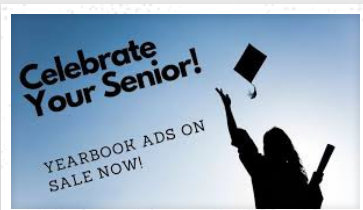

Please refer to parking guidelines and fee structure for parking enforcement.

FROM OUR SM WEST NURSE

Hello,

I wanted to share a "refresher" on Covid Guidelines for everyone as we head into this fall. These are also guidelines that apply to Influenza A & B.

- Day 0: the 1st day of symptoms or test positive day
- Counting from Day 0—a person is then out of school for 5 days.
- Day 6—may return to school if no ongoing symptoms and no fever in the previous 24 hours.
- Day 6-10—highly recommended and encouraged to mask.
- Students do not need to stay home for exposure to Covid —only if they have symptoms or test positive.

For more information you can refer to the following link:

MACBOOK/IT - IMPORTANT

Many of our students were able to pick up their MacBooks during our Early MacBook Rollout.' If you received your device on July 25th, then please make sure to set Chrome as your default browser. Here is a link for instructions:

<https://docs.google.com/document/d/1UCo7L5B9PwmqDECiLayyb7r965hd9M1WxJfgynQgWqU/edit?usp=sharing>

Please make a diligent choice to take care of your MacBook each and everyday.

- **Cracked Screens**

- The screens to the new devices are very delicate. Please remind students not to pick up the device by the screen and do not close the device with something in it.

- **Tech Resource Page**

- We have a Tech Resource Page that assist students with tech issues that arise. Please bookmark this page. Link =>

ICT Updates

We want to remind you of a few things now that we are back in the swing of the school year:

1. Your MacBook must have the district issued case on it at all times. (Failure to have the cover in place will result in confiscation of the MacBook.)
2. Please only carry your MacBook with the screen shut and with both hands to keep the machine secure.
3. Do not ever pick up the MacBook by the screen. The LCD is very sensitive and the pressure of your grip will break the screen.
4. Keyboard covers should not be used since non-Apple keyboard covers might be too large and can put pressure on the screens and cause damage.
5. Please don't leave your MacBook in a car overnight.
6. Needed programs can be found on Manager. You will not be able to download programs from the App Store for use on these devices.
7. Downloading VPNs (Virtual Private Networks) or other programs that mask your device on the network are a violation of the Responsible Use Policy you have agreed to. Use of these will result in the confiscation of the MacBook and you may lose MacBook access for the semester/school year for consistent violations.
8. Due to the MacBook refresh this summer and the cost of the new hardware, the replacement device cost has gone up. Although, the charger cost has dropped. The incident fees have stayed the same (fees reset in high school).
 1. 1st Incident/Damaged Device fee: \$100.00
 2. 2nd Incident/Damaged Device fee: \$150.00
 3. 3rd and Subsequent Incident/Damage Device fee:
Actual cost of repair/replacement or \$300.00
whichever is greater.
 4. Apple MacBook Air M1 USB-C Cable Replacement - \$19
 5. Apple MacBook Air M1 Charger Replacement - \$39
 6. Apple MacBook Air M1 Adapter Set Replacement - \$58
 7. Apple MacBook Air M1 Replacement/Lost Device fee - \$1,117.95
9. If you ever need help or support with your device, please review our Tech Rescue Page (<https://sites.google.com/smsd.org/smwtechrescue/tech-issues>). If you are still experiencing issues, then you can

submit a Web Help Desk Ticket

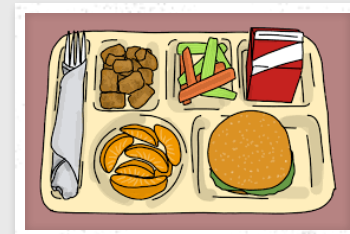

(<https://support.smsd.org>).

Please reach out if there are any questions or issues. We do work with students and families through this process.

Below you will find some helpful images to assist with Skyward and Canvas.

2023-24 - Child Nutrition Program Meal Benefit Application

Families are encouraged to complete an application for meal benefits – free or reduced priced meals – as part of the Online Verification. The link to the Child Nutrition Program Meal Benefit Application is available on Skyward or the online application is on [School Cafe](#). Families do need to create a School Cafe account if they do not already have one - more information may be located on the [SMSD Food Service Free and Reduced](#) web page. Contact the Food Service office by calling 913-993-9710 for questions on the meal benefit application.

Potential Benefits of Filling out the Application

Families, whose meal benefit application is approved for meal benefits, can receive a breakfast and lunch at the free or reduced price – depending on their qualifying benefit. Families who complete an application and qualify also generate additional state funds for our schools.

Families who qualify for child nutrition meal benefits, may receive additional benefits such as free/reduced instructional resource fees, transportation fees, and Pre-k enrollment.

Consent for Disclosure and Eligibility

Families are encouraged to complete a Consent for Disclosure form in [Skyward](#) which gives SMSD Food Service permission to share a child's eligibility status information with the programs families designate on the consent form.

Families who are receiving certain types of state assistance, a meal benefit application may not be necessary. If a family is directly certified for meal benefits due to state assistance, Food Service will email a notification of eligibility. If you receive state assistance and have not received a notification of eligibility, call the [SMSD Food Service office](#) before completing a meal program application.

We have previously pushed a number of communications about this to families via school newsletters (with your assistance) as well as through district communications reminding of the availability to sign up for text notifications when routes are running late *or compressed with other buses*. **We encourage you to also sign up to receive text notifications as it is the fastest way to provide notice of any changes.**

Sign up for notifications at the following link:

<https://my.textcaster.com/asa/2795> where you can select the route numbers pertaining to your school (you may select multiple bus routes). Additionally, we will do our best to provide you with updates as we receive them.
