# BAINBRIDGE ELEMENTARY SCHOOL'S FAMILY OUTREACH PROGRAM

The Family Outreach Worker is from the Cecil County Department of Social Services and can provide voluntary outreach services to families of our BES students. The worker can help with locating community resources for a variety of issues, such as help accessing counseling services, domestic violence interventions, substance abuse treatment, court/custody/visitation navigation, parenting resources, housing, food, energy needs and many other issues that one might need help with. Assistance pertaining to your child's absenteeism and/or truancy from school can also be discussed. Your privacy is important and any information that you request is confidential. Please feel free to call for more information or to set up a face-to-face meeting. The Family Outreach Worker is available during the whole calendar year.

Megan Bailey
BES Family Outreach Worker
