Welcome to Kenmore Elementary School located in Elkton, Maryland. At Kenmore exemplary teaching and learning takes place daily in our vibrant school community. In cooperation with all constituents that are part of the Kenmore community, we work to successfully meet the needs of each of our students. We are proud of the high level of excellence that is demonstrated each day by our students, teachers, and larger faculty. The students of Kenmore have a long history of academic excellence and continue to demonstrate that they are learning and achieving at high levels. Our school goals are designed to support all students in improving their overall performance in reading, writing, math, science, and social studies. Additionally, Kenmore Elementary School is entering its tenth year as a PBIS school. We've had great success with this program and recently received the Gold Award from PBIS Maryland for the seventh consecutive year. The contributions of our extraordinary Parent Teacher Organization (PTO) are visibly evident. Kenmore's PTO has partnered with the school administration to provide our students and staff with state-of-the-art technology which includes Smartboards, Chromebooks, document cameras, and high quality two-way radio communications for every staff member. Our PTO works hand and hand with the administration to develop programs and opportunities that bring pride to our school community and provide an exciting and engaging learning environment for all. Come join us!

Other Facts

Kenmore Elementary School maintains an active level of participation in the surrounding community through partnerships and committees. Through our School Advocacy Committee Kenmore families network with our surrounding schools and work to educate the public and advocate for appropriate resources from both the county and state governments. Kenmore also maintains a close relationship with our business partners, W.L. Gore. The associates from Gore and Kenmore are proud of a robust mentoring program that saw 13 different employees donate an hour per week to mentor students at Kenmore Elementary School during the 2019-2020 school year.
