Welcome to Rising Sun Elementary, "A Community Learning and Leading for the Future." We are a PreSchool through grade 5 elementary school with students with a variety of backgrounds and experiences. Our faculty and staff of close to 100 people work collaboratively with our PTA and a wide-variety of community groups, supporting the academic, social, and emotional needs of our students. Our goal for this year is to have safe, challenging, and joyful learning experience whether in perosn or online: The school motto this year is "Practice Respect-Act Responsibly-Work Hard-Stay Safe." Our instructional goals are designed to support all students in improving their overall performance in all content areas and we will continue to analyze our data to identify student needs. We are also working to be prepared however learning takes place. Our teachers have taken on this challenge, always putting the needs of our children first. You will find exemplary instruction taking place daily. We greatly appreciate our students, parents, staff, and school community!

Alan Loman - Principal

Katie Fortune - Assistant Principal
