

Thomson Estates Elementary School

203 East Thomson Drive - Elkton, MD 21921 - 410.996.5080 - schools.ccps.org/tees/

Welcome to Thomson Estates Elementary School, home of the Thomson Tigers! The faculty, staff, administration, and our mascot, Tommy Tiger, are excited that you are a part of our Thomson Estates family.

We are supported by two federal grants which allow us to enhance our programs to serve the families of Thomson Estates. Our **Title 1** grant is used to support students academically through material support, tutoring, summer enrichment programs, reduction of class size, additional counseling support and school wide cultural experiences. New for the 2020-2021 school year, Thomson Estates received a 2 year commitment for a **Community School** grant. This grant will allow us to extend the early childhood Judy Center program to support families from grades 1 through 5.

In order to strengthen our overall instructional program, we started the implementation of **AVID** (Advancement Via Individual Determination) in 2019-2020. We will continue to expand this successful initiative in order to help our students prepare for the rigors of middle school, high school, college and careers.

Other Facts

Thomson Estates Elementary is proud to be associated with the **Judy Center**. This partnership provides programs that will foster young children's physical, social, linguistic and cognitive abilities – skills that help children become accomplished learners and students. The Judy Center is special because it is a one stop shop for service coordination and family engagement. These services are now extended to the families of our older students through the **Community Schools** program.

Our school also participates in the **USDA's Community Eligibility Provision (CEP)** which provides a free breakfast and lunch to 100% of our students every day, regardless of eligibility. It has been long established that students can concentrate on learning better when they are not hungry. Now all of our students can put forth their best efforts.

The backbone of Thomson Estates Elementary is our **Family Involvement** initiative. Our faculty and our community understands that when we work together, our students always win. Check out our web page to see our school event calendar. And don't forget to check us out at:
