

## How to Search the School Library Catalog

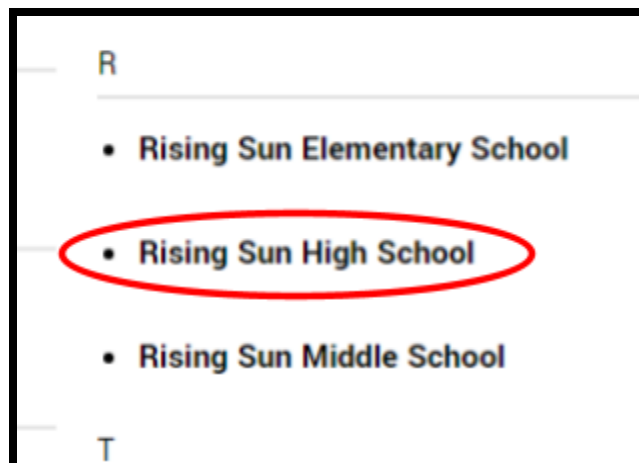

1. Go to the school website or you can find the school website by going the the CCPS website.

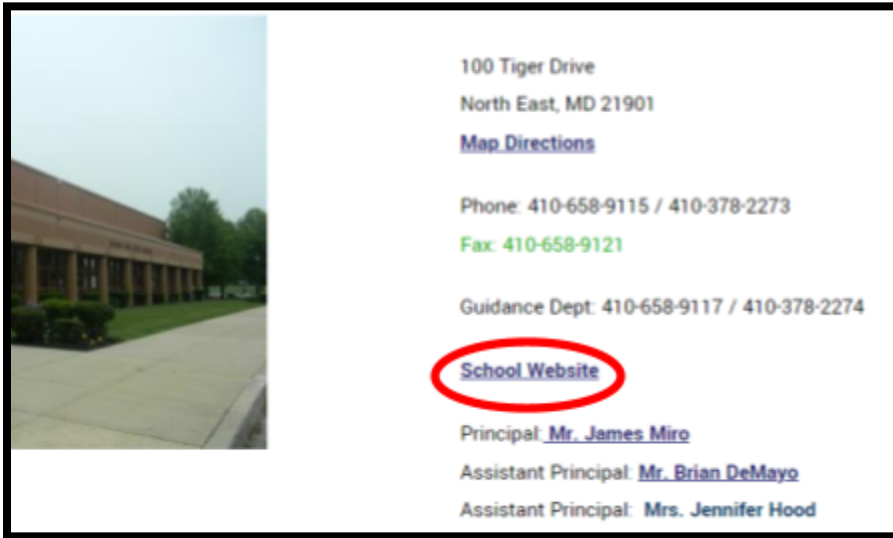

2. Click on the tab for “Schools” (top right).

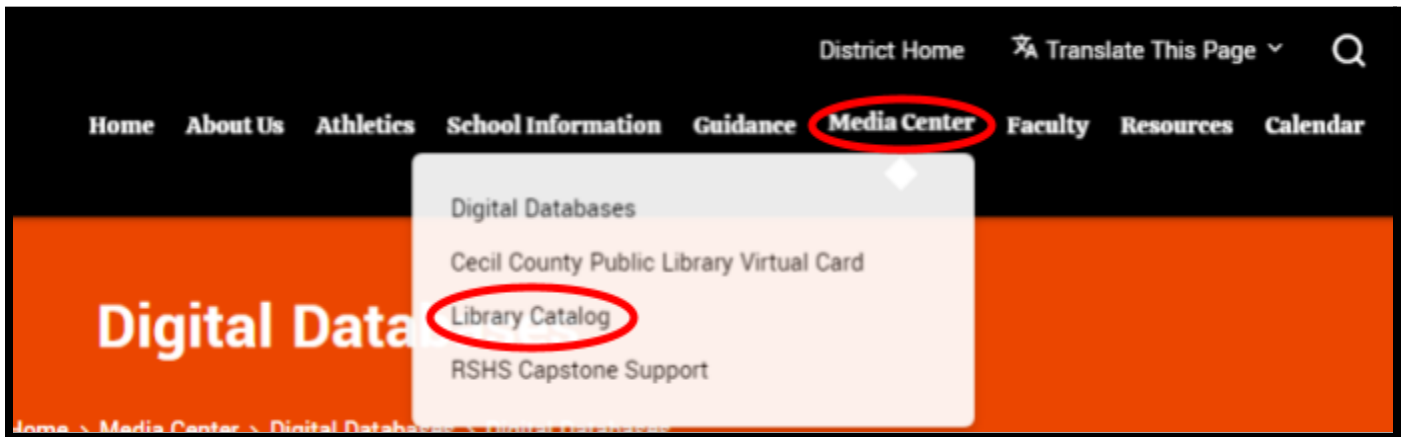

3. They are listed alphabetically. Click on the school name.

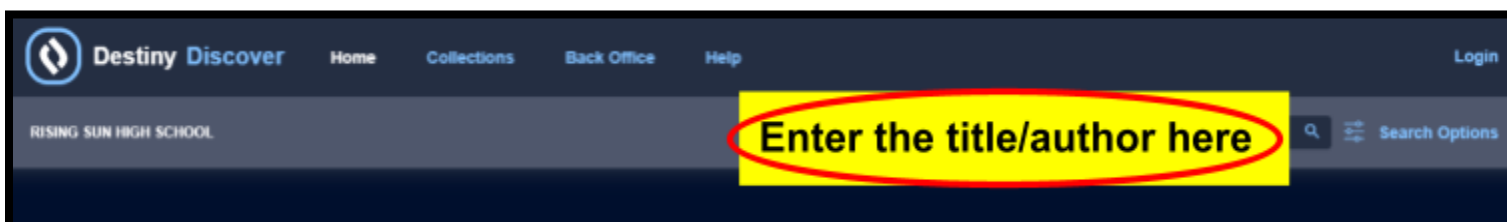

4. On the page that opens for your school, click on “School Website”.

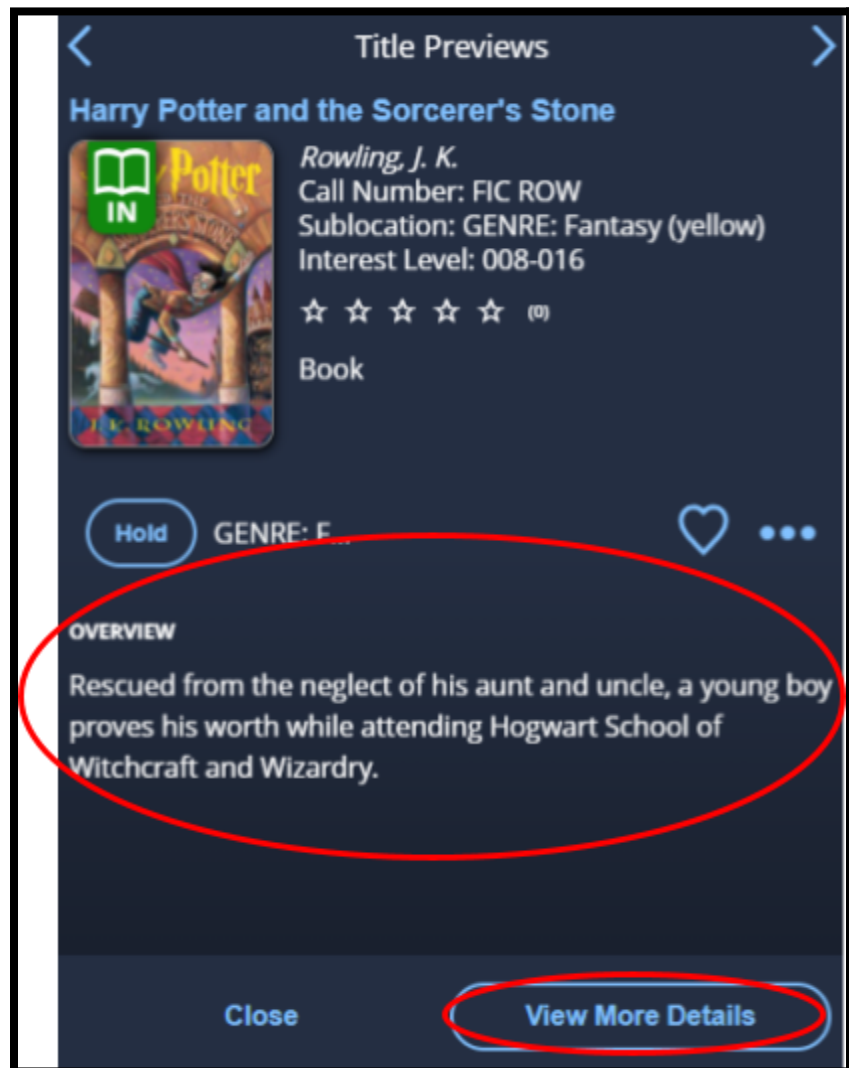

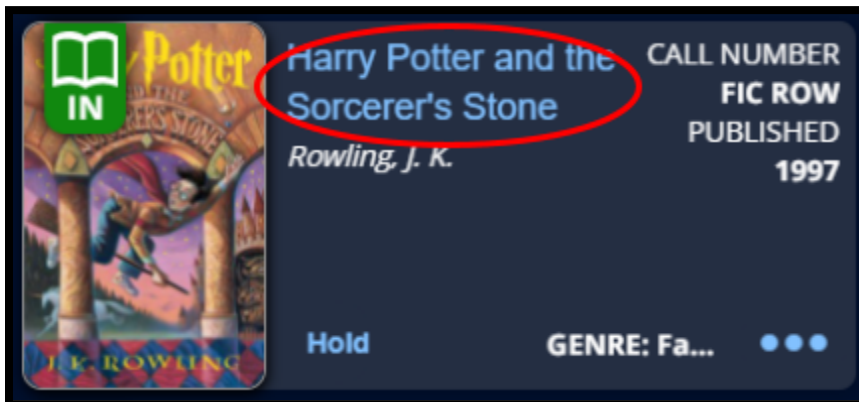

5. On the school website, click on the Media Center tab. Then click on “Library Catalog” or “Catalog”. This will take you to Destiny, the program all schools use to manage and check out library books.

6. You will see a blue screen. Use the search box in the upper right corner of the screen to enter your search term.

7. Once you get the search results, click on any result for more information about the book, including an overview. Click “View More Details” for a larger view of the overview and additional information.

Questions? Reach out to your school library media specialist who will be happy to help you.
