THE BOARD OF EDUCATION | ROLES AND RESPONSIBILITIES

In general, the school board's responsibility is to make policy, while the superintendent is charged with administering the policy. The school board's areas of responsibility include:

- **Goal Setting:** Establishes the structure to accomplish the district's vision and to periodically evaluate the results.
- **Policy:** Develops and establishes policy in collaboration with district stakeholders.
- **Designating and Evaluating the Superintendent:** Recruits, hires, and evaluates the performance of the superintendent.
- **Budget:** Reviews the budget submitted by the superintendent and aligns the funding priorities to the district goals.
- **Curriculum:** Approves recommended curriculum and textbooks.
- **Staffing:** Adopts policies governing salaries and salary schedules, employment terms and conditions, fringe benefits, and employee evaluations.
- **Facilities:** Determines school facility needs.
