Barnhart Elementary

# We Are Off To A Great Start!

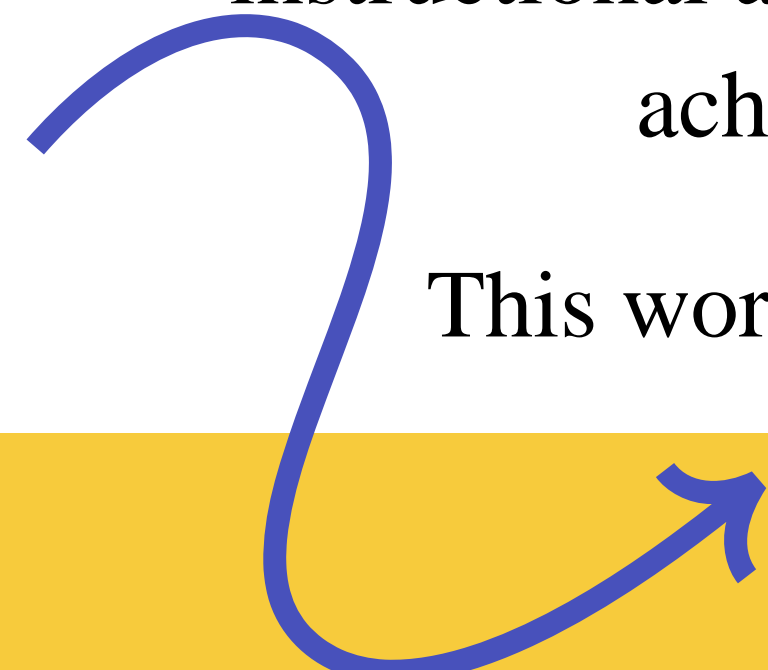

# School Improvement

School Improvement is a decision-making model that schools utilize to ensure programming, teaching and learning, and culture and community, provide all students access, opportunity, and support to achieve at high levels.

Each school develops a School Improvement Plan (SIP). The SIP identifies priority goals, instructional and culture strategies, and supports schools will implement to raise student achievement and prepare students for college and career pathways.

This works starts at the elementary school and continues through high school.

# Student Learning & Achievement

## Reading

- Last year: **Data point #1:** Approximately 71% of all students made their annual growth target. **Data point #2:** Barnhart ranked #1 Title I school for average annual growth (109%)
- **Current SIP Goal:** 100% of students will meet their annual growth target from fall to spring iReady.
- PreK-3: focus on building student foundational skill (phonics, decoding)
- All grades: improving writing skills
