

Center Grove Construction Update

Project: Safety, Security, & Stewardship

Project Safety, Security, & Stewardship Enters Phase 2

Center Grove Community School Corporation's \$42 million construction project is into its second phase. During Phase 1, which was largely completed during the summer break, secure entries were created at Pleasant Grove and Sugar Grove Elementary Schools, and both middle schools, Central and North. Pleasant Grove also received renovation to its administrative offices. Maple Grove Elementary was built with a secure entry.

During Phase 2 of the project, facilities updates are underway at North Grove Elementary (NGES), Center Grove Elementary (CGES) to address major educational effectiveness and capacity issues.

PLANNED RENOVATIONS (North Grove E.S. & Center Grove E.S.)

IN THE CLASSROOMS

- New cabinets
- New windows
- Updated wall coverings
- New carpet (for most rooms)

THROUGHOUT THE SCHOOL

- New ventilation system
- New hall wall coverings
- New sprinkler system (CGES)

Both schools will see new gymnasiums built on the outside of their buildings, which will allow for improved security during after-school events, and increased space in their cafeterias. Right now, the cafeteria and gyms share space in the center of the schools.

Phase 3 of the project includes

C.G. MIDDLE SCHOOL CENTRAL (Secure Entrance)

BEFORE

AFTER

updates to Center Grove High School. That project includes the relocation of the main offices to the front of the building where they will connect to a secure entrance, renovation of the Media Center, renovation of science labs, upgrades to finishes, and ADA restroom upgrades throughout the building. Bids for Phase 3 are scheduled to be awarded later this month. The CGHS project won't be complete until December of 2016.

You can see photos, renderings, timelines, and more on our website www.centergrove.k12.in.us/construction.

All phases of this project are fully funded without increasing tax rates for White River Township residents.

August/September 2014

UPCOMING MILESTONES

July 28, 2014—October 10, 2014

Center Grove Elementary

Areas of focus during this phase:

- ◇ Start renovation of classrooms*, 2 at a time (2 weeks per classroom)
** During construction, classes will relocate into temporary classrooms in gymnasium.*
- ◇ Construction of new corridor and bathrooms on north side
- ◇ Continue work on expansion of office area on west side
- ◇ Continue work on new gymnasium

To see photos of the CGES project, go to www.centergrove.k12.in.us/construction/cges.

North Grove Elementary

Areas of focus during this phase:

- ◇ Start renovation of classrooms**, 4 at a time (2 weeks per room)
*** During construction, classes will relocate to temporary classrooms previously occupied by art, music, computer lab, and speech. Those teachers will utilize carts.*
- ◇ Continue construction of new gymnasium
- ◇ Continue construction of two Kindergarten classrooms

To see a [timeline](#) and [calendar](#) for the NGES project, go to www.centergrove.k12.in.us/construction/nges.

Center Grove Community School Corporation's \$42 million Safety, Security, & Stewardship construction project will create secure entries in all eight school buildings and address major educational effectiveness and capacity issues at North Grove Elementary (NGES), Center Grove Elementary (CGES) and Center Grove High School (CGHS). This project is fully funded without increasing tax rates for White River Township residents.
