

Center Grove Construction Update

Project: Safety, Security, & Stewardship

December 2014/January 2015

CHANGING FACE OF CGES, NGES

Center Grove Elementary

June 2, 2014

December 16, 2014

The new face of Center Grove Elementary (CGES) is beginning to emerge, now that brick is complete on the outside of the new gymnasium and main office. The new look (shown above) is part of Center Grove Community School Corporation's \$42 million Safety, Security, and Stewardship construction project. North Grove Elementary (NGES) is receiving a similar makeover.

Changes are also underway inside the schools where all classrooms will receive updated cabinets, windows, and wall coverings. Many rooms will also receive new carpet. gyms.

The gymnasiums in both schools will be relocated from the center of the buildings to the outside to allow for improved security during after-school events, and increased space in their cafeterias. Right

now, the cafeterias and gyms share space in the center of the schools.

This is the second phase of a three-part project. Phase 1 was largely completed during the summer break. It involved the creation of secure entries at Pleasant Grove and Sugar Grove Elementary Schools, and both middle schools, Central and North. Pleasant Grove also received renovation to its administrative offices. Maple Grove Elementary was built with a secure entry. Phase 3 includes renovation of Center Grove High School.

You can see more about the project at www.centergrove.k12.in.us/construction.

All phases of this project are fully funded without increasing tax rates for White River Township residents.

UPCOMING MILESTONES

December 2014-January 2015

Center Grove Elementary

Areas of focus during this phase:

- ◇ Renovation of classrooms*, 2 at a time (2 weeks per classroom)
** During construction, classes will relocate into temporary classrooms in gymnasium.*
- ◇ Complete work on vestibule at entrance
- ◇ Complete work on expansion of office area on west side
- ◇ Complete work on new gymnasium

To see photos of the CGES project, go to www.centergrove.k12.in.us/construction/cges.

North Grove Elementary

Areas of focus during this phase:

- ◇ Renovation of classrooms**, 4 at a time (2 weeks per room)
*** During construction, classes will relocate to temporary classrooms previously occupied by art, music, computer lab, and speech. Those teachers will utilize carts.*
- ◇ Complete construction of new gymnasium

To see photos of the NGES project, go to www.centergrove.k12.in.us/construction/nges.

Center Grove Community School Corporation's \$42 million Safety, Security, & Stewardship construction project will create secure entries in all eight school buildings and address major educational effectiveness and capacity issues at North Grove Elementary (NGES), Center Grove Elementary (CGES) and Center Grove High School (CGHS). This project is fully funded without increasing tax rates for White River Township residents.
