

Center Grove Construction Update

Project: Safety, Security, & Stewardship

Fall 2015

CGHS PROJECT PROGRESSING ON SCHEDULE

New administrative offices

Renovated science lab

The \$20 million renovation project at Center Grove High School is in its fifth of seven phases. Construction started last fall is expected to be complete in October of 2016.

Completed Areas

- ◆ Secure vestibules in the main and Hall of Excellence entrances.
- ◆ New administration offices
- ◆ New Athletic Department offices
- ◆ Renovations to Family and Consumer Sciences and science labs
- ◆ Renovation of English Department classrooms

Current Renovation Areas

- ◆ Project Lead the Way classrooms and labs (scheduled to be completed in January)
- ◆ Old administration offices between the media center and cafeteria

Next Phase

- ◆ Upgrades to finishes in classrooms (ongoing)
- ◆ ADA restroom upgrades throughout the building (ongoing)
- ◆ Old administration offices between the Media Center and Cafeteria
 - ◇ Part of that space will be turned into a student commons area, which will improve traffic flow on the main floor of the school. Those renovations are expected to continue into the summer of 2016.

All phases of the \$42 million Safety, Security, and Stewardship project are fully funded without increasing tax rates for White River Township residents. More information is available at centergrove.k12.in.us/facilities. This project is fully funded without increasing tax rates for White River Township residents.

Center Grove Community School Corporation's \$42 million Safety, Security, & Stewardship construction project will create secure entries in all eight school buildings and address major educational effectiveness and capacity issues at Center Grove Elementary, North Grove Elementary, and Center Grove High School. This project is fully funded without increasing tax rates for White River Township residents.
