New Club!

Are you interested in the game of chess?

We've had a few students asking about starting a chess club. They say, "We need to have a chess club". Okay then. We need to get enough students to register for it and we'll do it.

You don't have to know how to play chess to join. Being interested in the game is enough. And if you already know how to play chess

you can help with teaching others the basics of this fun game. But it won't be all about chess lessons. It'll mostly be about having fun with friends.

If you're interested, gather some friends and go see Mr. Townes in room 169 for details. And don't worry. After school Mr. Townes is a SUPER FUN GUY.

A shout out to this group of 7th grade boys for stepping in and helping run the Blackhawk football academy this past weekend! They ran drills, reffed and QB'd the scrimmages, gave feedback to the kids, and stayed & helped through cleanup. Way to make Washington proud Generals!
