

BOOSTERS PATRON FORM 2023-2024

Highland Local Schools
3880 Ridge Road, Medina, OH 44256

Support your Highland MS and HS Orchestra Programs as an Orchestra Patron! As a patron, your name will appear in all music programs throughout the school year. Your support will assist in providing funding for: enrichment of the orchestra students' musical education through in-school workshops and guest educators and entertainers; utilizing digital and social media platforms to enhance Orchestra Program awareness; and year-end awards to recognize student achievements.

2022-2023 Achievements:

The Boosters were able to support two trips for orchestra students to see the Cleveland Orchestra at Severance Hall (bus transportation and meal provided by Boosters) and at Blossom (meal provided by Boosters). The Boosters also partially funded the senior banners and paid for year-end student awards.

2023-2024 Goals:

Support the Highland School District's initiative to elevate the Orchestra Program to elite-level status by providing supplemental funding for education and development opportunities such as music camp scholarships, competitions, guest accompanists, private lesson scholarships, etc. The Boosters also hope to provide equipment and supplies such as instrument stands and new sheet music, as well as enhance the concert experience with seasonal decorations and photographers.
