We Are Off To A Great Start!

School Improvement

School Improvement is a decision-making model that schools utilize to ensure programming, teaching and learning, and culture and community, provide all students access, opportunity, and support to achieve at high levels.

Each school develops a School Improvement Plan (SIP). The SIP identifies priority goals, instructional and culture strategies, and supports schools will implement to raise student achievement and prepare students for college and career pathways.

This works starts at the elementary school and continues through high school.

Improvement Strategies

- Staff development throughout the school year will focus on Writing Standard's 2 Four Components and the 8 targeted learning strategies.
- There will also be a differentiated approach with these strategies based on the individual staff member's confidence in implementing each within their classroom.
- These sessions will be peer led by members of the PLT during staff and content specific meetings.

Writing Standard 2 Component	PLT Strategy
Collecting Information	Know Wonder Learned, Reciprocal Teaching
Organizing Information	Entry & Exit Slips, READS
Discussing Information	Think Pair Share, Philosophical Chairs
Composing	Rubric, CER

School Climate and Culture

- Staff focus will be on continuing and improving our PBIS program and initiatives.
- Teachers will award Students at least 50 Husky Points each week during the 23-24 School Year.
- Teachers will have an individual classroom “store” for Students to cash-in these points.
- Students can also use these points for special items and privileges during periodic school-wide events.
