

Questions

1. Q: could you please clarify us, are you looking for 244 new access points with license and support, and for 750 licenses for existing access points ? Or you are looking for 244 + 750 new access points which could be concluded after reading 470 Form? Also, in RFP, as an item 3 on page 19. you asked for Item# CLD-BNDL-SZSA-EDU which doesn't exist as a Ruckus part number. Is there a possibility that this is a typo and that you asked for CLD-BNDL-SZWA-EDU5, same as item 2 in the table ?

A: CLD-BNDL-SZSA-EDU is a new part number. It's a basic maintenance and Analytics bundle for our existing access points.

2. Q: Are you willing to consider other vendor solutions for your new wireless access points, or you would like to stick with Ruckus ?

A: Or equivalent is specified in the RFP.
