RE: Bid No. 2022-01-078B Asphalt (Chavez, McAuliffe, Palmquist, Mission)

This Addendum No. 3 contains the following information:

- Questions for Clarification & Answers
- Addendum Acknowledgement

Questions for Clarification & Answers

Q: What are the specifications for the asphalt? Type? Do you guys have a specification for material to be used for asphalt and any other materials such as cap mix design? Paint material? Etc.

A: The cap mix and overlay mix would be the "School Mix" (smooth finish). There is no spec for the paint at this time.

Q: I am reaching out regarding clarity on the warranty that is stated in the bid docs that we need to warranty our work for 2 years. Industry standard is usually 1 year, not 2. Also warranties usually cover workmanship and material and do not include ordinary wear and tear and unusual abuse or neglect.

A: If the bid docs say two years, we will stay with that. That would include workmanship and materials.

Q: I have a concern about addendum no. 2 and the site walk questions and answers portion. Will there be further clarification on those questions and answers? A lot of them were answered in a verbatim fashion and it doesn't provide actual areas of where redwood header is being placed or not being placed, what striping/curbing is being done or not done, what will be moved by district versus the contractor, etc. Will this be addressed in addendum no. 3? Will you guys provide further information/clarification?

A: The Redwood headers will be installed all along the track at McAuliffe and Palmquist Elementary Schools only. All striping will be done on a like for like basis on all existing areas. No ramps will need to be moved.
