Questions for Clarification & Answers

Q: Addendum 2 gives quantities of what appears to be existing utility boxes, but it doesn't say what we are to do with them?

A: Raise or add spacer to meet grade.

Q: Addendum 3 doesn't give any information as who is responsible for items that need to be removed.

A: The removal question was in regards to the portable ramps, these are not being removed for this project.

Q: Both addendum 2 and 3 state that header Is needed at McAuliffe, but we are only grinding 1.5". You cannot install header unless you grind the edges at full depth.

A: No grinding where header is being replaced. Remove and replace header and overlay up to header.

Q: The AC Base mix wasn't specified for the full depth removal.

A: No Base mix necessary as most of the work is an overlay.

Q: Would the contractor have the entire site to ourselves?

A: No, work has not been scheduled, but some sites may have summer school or afterschool programs.

Q: Can we reuse the former wheel stops?

A: Yes.
