QUESTIONS & ANSWERS

1. **Question:** Regarding pages 18 and 19, the flat rate pricing requested will result in the District paying more for these services. As an example, there is a big cost difference between a 6 hour trip price and a 12 hour trip price. If this remains as stated on the Bid Form, most vendors would likely price this line item as a 12 hour trip and the District will overpay for every 6-11 hour trip it orders. It is most common to price trips with a 5 hour minimum and charge an "excess hourly rate" in quarter hour increments for hours over the first five hours. This excess hourly rate could replace the $90 per additional hour stated at the top of the form. We request you consider changing the pricing format as was done in the July, 2019 procurement for these services.

   Answer: Thank you. We have created Addendum No. 2 to reflect these changes to the bid document.

2. **Question:** Regarding page 21, in order to protect the private information of our employees, we ask that the District require this Driver information upon contract award rather than as part of the bid package or as a minimum, delete the request for CA Driver License numbers.

   Answer: We will not require the driver's information until after the awarding of the bid.

3. **Question:** Other than the title, what is the difference between this bid and Bid No. 2022-01-062B?

   Answer: There is no difference between the bids with the exception of the Bid Numbers.
