Sacred Heart offers a morning bus option for transportation to school for all students beginning at age 5. Private buses are run by *Mario's Transportation* and are shared with neighboring independent schools. Pick-ups begin at approximately 6:15 am and buses arrive at Sacred Heart between 7:45 - 7:55 am. Stops are determined based on the locations of families who register. We offer limited afternoon service with the hope to expand. PM bus service is offered for families on the "Downtown Manhattan" route. Sacred Heart subsidizes the cost of the bus for families who are already receiving assistance.
