

DOUGLAS COUNTY
Democratic Women
MAKING A DIFFERENCE IN OUR COMMUNITY

October 11, 2023

Dear Scholarship Applicant:

Since our inception in 2004, the Douglas County Democratic Women (DCDW) organization has worked to have our voices heard and to make a positive impact on Douglas County. One way to accomplish this has been through awarding scholarships to Douglas County students to continue their education by attending a community college, university, or trade school.

We are pleased to continue this tradition. Any resident of Douglas County attending a Douglas County high school who is in good academic standing and will graduate by the end of the 2024 academic year, is eligible to apply.

In addition to completing the application, all applicants must submit an essay of up to 250 words addressing one or more of the tenets listed in the Democratic Credo. We also ask that you return a signed copy of the Credo as an acknowledgement that you received it and read it. The application deadline is March 1, 2024

Students will be assessed on the content of the essay as well as financial need, community service, and educational goals. The awardees will be selected by the DCDW Scholarship Committee and notified in April 2024. Scholarship winners and parents will be invited to and honored at our June luncheon.

We are grateful for this opportunity to invest in the future of Douglas County and the opportunity to help you with your educational and vocational goals.

Sincerely,

Anne Thomas
