# Feststellungsprüfung

- Studienkolleg courses are offered for various subject areas. The Studienkolleg ends with the university qualification exam, called "Feststellungsprüfung". More at [www.studienkollegs.de/home.html](http://www.studienkollegs.de/home.html)
- The “Feststellungsprüfung” assesses the qualification of international student applicants for entering studies at universities in the Federal Republic of Germany.
- In some Studienkollegs, you may take the "Feststellungsprüfung" without having attended the Studienkolleg ("externe Feststellungsprüfung")
- Please note:
  - Passing the exam provides you with a subject-restricted university entrance qualification ("fachgebundene HZB").
  - Both "Universitäten" (universities) and "Fachhochschulen" (universities of applied sciences) offer Studienkollegs. A university qualification exam by a "Fachhochschule" only qualifies you to study only at a "Fachhochschule." A university qualification exam by a "Universität" qualifies you to study at both types of universities.
