Committee of the Whole – Minutes
January 16, 2014

Mrs. Laraway read the Sunshine Law.

FACILITIES

The Board reviewed the status of the grant projects:

- OTS-new emergency generator
- OTS- HVAC upgrades
- TES- Install security cameras, door access readers
- TES – Rezone HVAC in Administrative areas

Long Range Facility Plan priority items

- OTS – Remove VAT floor tiles
- OTS-Replace exterior wall lights
- OTS – Barrier-free parking at entrance
- OTS-HVAC between technology office and BOE office
- OTS-Unit ventilator replacement in science labs

There was also discussion about the scoreboards on the baseball field at TES and the softball field at OTS. The TAA will be submitting information to the Township Planning Board on behalf of the BOE.

FINANCE

There was discussion regarding the 2014-15 preliminary budget and the motions were reviewed.

CURRICULUM

There was an overview of curriculum that was discussed: Educational vision and technology, Common Core and PARCC, data collection, and curriculum committees.

COMMUNICATIONS

Information will continue to be disseminated using the website and Superintendent blogs.

Respectfully submitted,

Karin Laraway
Board Secretary
