6. Boundary Change Update

Chief Financial Officer, Debbie Campbell, presented an updated version of possible elementary boundary changes for the 2018-19 school year. Previous versions had proposed boundaries segmenting neighborhoods. The updated version does not split neighborhoods and provides options that would distribute enrollment regardless of when the new elementary school opens. Boundaries for secondary schools would remain unchanged. Transportation routes for the Dieringer School District students attending high schools in the district will be streamlined. Administration will begin working on a schedule for presenting boundary changes to the public.

Meeting adjourned: 6:38 p.m.
