

Oct 2nd, 2023
SAC meeting minutes

Good things:

Football field will be having a ribbon cutting ceremony on Oct 5th, the auditorium is looking nice, tutoring is going well and we have multiple volleyball players with high stats.

Homecoming is this Saturday and ticket sales are this week. The school will have a pep rally and spirit week. The football game is Friday and food trucks will be present. Harvest of love will be talked about in CCR on Oct 3rd.

Parents and staff are encouraged to remind parents to take the 5 essentials survey. This survey is important and we have to have 20% participation to get the results from the survey.

Current enrollment is 1,781 students

Attendance is higher than it was last year but not where we want to be. There is talk about changing the tardy rule because 11 minute tardies being marked as absent does not work for a block schedule. Behavior is ok and better than last school year so far but still have some issues. The specific behavior issues were hard to say because the district changed how they are tracked.

Early conferences were a success with 840 conferences. Since the conference there has been a decrease in falling grades. The teachers did this as a trade off so they could get Friday Oct 27th.

ICAP will be readdressed at the next meeting with more information for parents as well as more information about the Future Center.

Budget was reviewed. No one had any concerns.
