Anna Klovstad
Sustainability and Project Supervisor, Facilities Dept.
Tahoe Truckee Unified School District
11603 Donner Pass Road
Truckee, CA 96161

Dear Anna:

As products of the Tahoe Truckee Unified School District ourselves, we as owners of a local, independent family business seek to continually give back to the community we're proud to call home.

In most recent years, we have provided the following items directly to the district:

- 2014: Topsoil for Truckee practice field restoration, ongoing.
- 2013: Topsoil for Truckee practice field restoration.
- 2013: 97 cases of Trash Bags; value ~\$2,763
- 2012; 80 cases of Trash bags + 80 cases of BlueBags: value ~ \$3,700
- 2012: 5 iPads; value ~\$2,000
- 2012 : Truckee Track and Soccer Field Restoration; hauling and topsoil

Indirectly, our company proudly supports a variety of school related functions and programs in the Truckee/North Tahoe communities, including Boosters, VIPS, Band Fan Club, Sports Teams, Arts for the Schools, Grad Night, Project Grad, KidZone Museum, Boys and Girls Club of North Lake Tahoe, Big Brothers Big Sisters of Nevada County, Truckee Bike Park, Tahoe Children's Foundation, Rotary, Optimist, Kiwanis, Soroptimist and various individual causes.

We applaud the district for its efforts and look forward to helping in whatever way we can.

Sincerely,

Jeff Collins
