

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Long Cane Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison- Amy Pressley- by calling the school.

Activities to Build Partnerships

Anytime parents visit LCES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

LCES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website, Facebook
- Home visits
- Parent Conferences
- Board in the front of the school
- Remind messages
- Phone Calls, emails

REVISION DATE : 9/7/23

School-Parent Compact For Achievement

2023-2024

Kindergarten's Focus for Student Success

Long Cane Elementary School

Christy Keeth, Principal

Our Goals for Student Achievement

District Goals:

1. Improved Lexile Levels, College & Career Readiness Index Scores (CCRPI), & Georgia Milestone Assessment (GMAS) scores
 - *reading on grade level and mathematical competency
2. Observation of more rigorous instruction, increased implementation of STEAM and project based learning activities
 - *problem solving & critical thinking

LCES K

 85% of K students will reach their typical growth goal in iReady reading by May 2024.

 85% of K students will reach their typical growth goal in iReady math by May 2024.

Teachers, Parents, Students- Working Together for Success

In the K Classroom

The Kindergarten teachers will work with students and their families to support student success. Some of our key connections with families will be:

Teachers will send home Foundation support packets in Tues folders.

Math practice sheets will be sent home by teacher to reinforce skills taught at school.

At Home

LCES parents joined staff to develop ideas about how families can support student success.

Parents will check Tues folders and use the Foundation support practice packets with their child.

Parents will practice math sheet with students that is sent home from the iReady curriculum.

Kindergarten Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

K students will use the Foundation support practice packets to practice phonics skills at home.

K students will review math papers in the Tues folders.

Teachers, Parents, and Students believe these additional key points will create success for our Kindergartners this year:

- Make sure students get enough sleep
- Eat a good breakfast every day
- Come to school everyday
- Be prepared for school everyday
