

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Long Cane Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison- Amy Pressley- by calling the school.

Activities to Build Partnerships

Anytime parents visit LCES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

LCES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website
- Home visits
- Parent Conferences (zoom)
- Board in the front of the school
- Remind messages
- Phone Calls, emails

REVISION DATE : 9/7/23

School-Parent Compact For Achievement

2023-2024

5th Grade Focus for Student Success

Long Cane Elementary School

Christy Keeth, Principal

(706) 812-7948

Our Goals for Student Achievement

District Goals:

1. Improved Lexile Levels, College & Career Readiness Index Scores (CCRPI), & Georgia Milestone Assessment (GMAS) scores
*reading on grade level and mathematical competency
2. Observation of more rigorous instruction, increased implementation of STEAM and project based learning activities
*problem solving & critical thinking

LCES

80% of students will have a Lexile score of 920 or above by May.

5th grade (as a whole) will increase 5 percentage points in the proficient and distinguished category on math GMAS.

Teachers, Parents, Students– Working Together for Success

In the 5th Grade Classroom

The 5th Grade teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

Teacher will send home morning work passages to be reviewed at home.

Teacher will send home morning work math spiral review to be reviewed at home.

At Home

LCES parents joined staff to develop ideas about how families can support student success in Reading and Math

Parents will review morning work passages and questions that are sent home daily.

Parents will review morning work spiral review sheets that are sent home daily.

5th Grade Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

Students will read the passage and review the questions from morning work at home every night.

Students will review the morning work spiral review sheet at home every night as well as practice their multiplication/division fluency.

Student Voice

Teachers, Parents, and Students believe these additional key points will create success for our 5th Graders this year:

- Have a good attitude
- Eat a good breakfast
- Be prepared for school
- Go to bed at a reasonable time
