

Introduction:

The American International School of Abuja is a leading educational institution in Nigeria, offering an American-style education to students from diverse backgrounds. We are committed to providing our students with the best possible learning experience and preparing them for success in their future endeavors.

**Position: Design Technology Teacher**

We are currently seeking a qualified and experienced Design Technology Teacher to join our team. The successful candidate will be responsible for teaching middle school students using the Design Technology Cycle.

Skills and Qualifications:

- Bachelor's degree or higher in Design Technology or related field
- Minimum of 2 years' experience teaching design technology at the middle school level
- Knowledge of current trends and developments in design technology education
- Ability to create engaging lesson plans that meet the needs of diverse learners
- Strong communication skills, both verbal and written
- Proficient computer skills including knowledge of relevant software applications

Values and Attitudes:

At AIS Abuja, we value educators who demonstrate a commitment to excellence, innovation, collaboration, integrity, respect for diversity, inclusivity, empathy towards others as well as passion for teaching.

If you possess these values along with excellent qualifications then we encourage you to apply today.
