## NOTICE OF REFUSAL TO DISCLOSE

Federal legislation was passed in December of 2001, which requires the Manchester Public Schools to provide military recruiters with the name, address and telephone listing of each secondary student.

If you wish to prevent the disclosure of this information, you must notify the School District. You may notify us by simply filling out the form below, signing it and submitting it to room 124. Please note that students eighteen years of age or older must sign their own refusal form.

Please understand that if you do not submit the notice of refusal, the name, address and telephone listing of your child will be submitted to military recruiters upon their request.

Should you have any questions, please contact David Stetson at 647-3537.
