

Cancellation of Solicitation

FAC2223-18 Turf for Ballfields

October 17, 2023

SECTION 1710. Cancellation of invitation for bids or request for proposals. (S.C. Code § 11-35-1710) Any solicitation under this code may be cancelled, or any or all bids or proposals may be rejected in whole or part as may be specified in the solicitation, when it is in the best interest of the District. The reasons for rejection, supported with documentation sufficient to satisfy external audit, shall be made a part of the contract file.

The District has decided to cancel this solicitation, due to the projected amount of the bids received. The bids received were well over the estimated budgeted totals and the District is reassessing their Capital plan. At this time, it is in the best interest of the District to cancel the solicitation until that reassessment is completed.
