## *From the Teacher*

I am truly humbled by all the wonderful Character Pumpkins that were created during the month of October. The students have begged to look at the pumpkins each time they visit the library and are fascinated by all the designs! Thank you so much for investing in your children and allowing them to create awesome works of art that focus on reading. I look forward to all the wonderful pumpkins next year during our 4th annual Character Pumpkin Challenge.

## *Upcoming Events*

The Bookfair is coming! Students will purchase books from December 4<sup>th</sup> – 8<sup>th</sup> and will create a wish list prior to purchase week. Please send cash only or create an e-wallet (directions to follow). Purchases will include tax this year.

## *Learning Targets*

**K-2** are focusing on identifying fiction vs non-fiction and the different characteristics of each, along with identifying the different parts of a book.

**3-5** are focusing on identifying text features, knowing their purpose, and how to navigate each text feature.

## *Things to Practice at Home*

Our students are working hard to return their books on time. Please have students place library books in their backpacks each night. This will ensure they are returned on time and that new books can be checked out.
