OVERVIEW

Strong and enduring, Altus High School has maintained these characteristics for many years. Although the building was remodeled and students and staff members have changed many times over the years, the one constant factor has been the elements of tradition, blue and white spirit, and a commitment to represent our community proudly.

With a newer campus, highly qualified staff, and an enrollment of approximately 950 students, AHS is an educational icon in the community. AHS's mindset and values have remained true to continued integrity, academic achievement, and extra-curricular participation and successes. Tradition is created not inherited. Years ago, a dedicated group of educators, inspired students, and community members created a foundation, one strong enough to endure multiple changes, new ideas, altered demographics, state-mandates, and growth on campus. Many staff members have built upon this foundation and have improved what AHS offers its students, both in academics and extracurricular; similarly, AHS students have continued to "rise to the occasion" over the years, striving to remain on top academically, athletically, and socially in campus activities, clubs, and community events.

Tradition is an amazing facet of education, particularly on a campus as seasoned and cultured as AHS. AHS is a remarkable place to spend four years learning and a great place to make a difference for students. Our mission continues to be "Opportunity-Excellence-Success" as we intentionally prepare every student to have an array of viable options when they graduate from AHS.

BULLDOG ACADEMY

The Bulldog Academy is our alternative education program for at-risk youth in grades 7-12. Students are referred to this program and accepted based on criteria such as attendance and the need to recover credits to graduate. All activities are developed to provide personal success. In Bulldog Academy, students will participate in all program components: appropriate education, counseling, service learning projects, and job preparation.

VIRTUAL SCHOOL

Altus Public Virtual School is our online learning program for youth in grades 5-12 who prefer to learn from home. Altus Public Virtual School allows students the ability to manage their schedule while still earning a high school diploma. With Altus Virtual, students also have the opportunity to play sports, band, or other extracurricular activities on the school's campus.

ACCREDITATION

Altus High School is accredited by the Oklahoma State Department of Education. Altus High School is also a member of the College Board.
