

Health and Fitness Homework Policy

Year 10

Students have been given a **Homework Booklet** which contains revision style recall tasks to help revise for upcoming assessments. Students will be asked to complete the relevant pages a week before their next assessment to act as a revision resource. This will take place roughly **twice per half term** (assessment dates can be seen in the curriculum plan)

Year 11

As students will be completing their NEA from September – February, which must be completed at school, a **Homework Booklet** will be given to students to complete **Bi-Weekly** from **October Half Term**. This will help them keep in touch with the content they learnt in Year 10 that will make up the External Assessment they will take in the summer examination window.
