## School-Parent Compacts

As part of this plan, Woodruff Primary School and our families will develop a school-parent compact, which is an agreement that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers. The school-parent compacts are shared with parents during parent- teacher conferences and kept with each child's teacher if parents need another copy.
