Concurrent Enrollment
at Front Range & Aims Community Colleges

*TSD will pay tuition costs if all steps below are completed.
Fees, books, and other course materials must be paid by the student.

Front Range Community College

Summer and Fall 2023 Registration Dates:
- October 20th - Spring/Summer Class search opens
- October 30th - Spring/Summer registration opens for students with 30+ credits
- October 31st - Spring/Summer registration opens for students with 1-29 credits
- November 6th - Spring/Summer registration opens for all students

Enrollment Steps: (Students who have previously taken a college class at Front Range will only need to complete the Concurrent Enrollment Agreement form Step 4 for each additional course you plan to take)

Please complete the steps below to register for Campus Select classes at FRCC.
1. Use the FRCC College Now Application Guide to APPLY to FRCC.
   - FRCC will email you your 8-digit ‘S number’ (FRCC student ID) and eWolf account access.
   - At the end of your ‘Application Certification’, select YES when asked to authorize COF.
   - For students under age 16 at the start of their first Campus Select semester, please complete the Underage Admission Waiver. We will email you to schedule an underage meeting to approve registration.

2. Students participating in their first semester of Campus Select must complete the online Campus Select Orientation. Once you complete the orientation, we lift your New Student Advising HOLD and email you registration instructions and important startup information.

3. For help determining the best FRCC class(es) for your degree path, contact Gaby Tabor, Concurrent Enrollment Representative, at gaby.tabor@frontrange.edu or (970) 204-8427. You can also stop by the LHS Counseling Office to schedule an in-person meeting with Mrs. Tabor, available every other Monday 12:30 - 3:30 pm. If you are unable to visit with Mrs. Tabor on the days she is scheduled, you can schedule a virtual appointment with her HERE.

4. Complete a separate online TSD Concurrent Enrollment Agreement. List the course number and title (e.g., ENG 1021, College Composition I) for the class(es) you want to take.

5. Use your eWOLF account to register for approved classes. Registration Instructions
   - Be sure you send a copy of your “Detailed Student Schedule with Drop/Withdrawal Dates” to your high school counselor (found in eWolf, under “Registration”).
   - Visit the Campus Select Semester Startup page for information and tutorials on accessing your course(s), buying books, the academic calendar, and how to pay your student fees.

Important Notes:
- A withdrawal will not affect a student’s college GPA, but it can affect future financial aid eligibility. Students who do not complete at least 67% of their college credits will be ineligible for financial aid if they return to FRCC in the future.
- Students with an IEP or 504 must schedule an appointment with our Disability Support Services office, megan.wolff@frontrange.edu, to request accommodations at FRCC.
- Check with your LHS counselor if you need any further information.
Aims Community College

Enrollment Steps: Students who want to take a class at Aims Community College, please complete the following steps below.

1. Apply to Aims CC: [CLICK HERE].
2. Complete a Concurrent Enrollment Agreement: [CLICK HERE].
3. Send your Aims schedule to your LHS counselor after you have registered for classes.
