Haviland Families,

Back to School Night is an evening for parents to gather information, meet school staff and faculty, and visit your child's classroom. Parent teacher conferences will be held later in the school year. If you have specific questions related to your child, please contact the teacher and schedule an appointment to discuss your concerns at a later time.

Parents and Guardians are invited to visit their children's classes as indicated on the enclosed schedule. This flexible schedule provides time for you to come and go based on your schedule and still see all of your children's teachers.

Families are encouraged to stop in the Media Center, Art Room, and the Gymnasium to see the newly updated look. Though we are still unpacking and settling in, I think you will be pleased with the fresh new spaces. Please forgive us if we aren't totally Pinterest Presentable just yet.

The principal, school counselor, and school nurse will be available in the cafeteria for questions and general information, and the Cub Scouts will be upstairs sharing information about the Pack. Haviland PTA will also be available to share information about services provided by our wonderful teaching staff and opportunities for parents to get involved.

We have had a wonderful start to the school year, and I am looking forward to meeting you on September 19.

Buzzing with Excitement!

Mrs. Barbie Ledyard
Principal, Haviland Avenue School
