**Federal laws protecting "privacy of personal information" requires that anyone requesting such information must be 18 and establish a lawful claim or right. A parent must submit this form signed prior to the release of transcripts, birth records, health records or other information about their children. A student 18 years of age or older must also submit this form to obtain their own records or send a transcript. Students under the age of 18 must have a parent submit this form signed by their parent or legal guardian. Please print all information below except for your signature.**
