### Transport Service at KoroBoro International School

Maintaining a top-notch transportation department is crucial for **KoroBoro International School** to uphold its reputation as the best in the business. Here are some positive services and initiatives that the Transport Department can provide to ensure and promote the School's Excellence.

**Safety First:** Ensuring the safety of students is always our top priority. The transport department implement stringent safety measures such as regular vehicle maintenance, trained and certified drivers, seat belts for all passengers, and strict adherence to traffic rules and regulations.

**Real-time Tracking:** Implementing a real-time GPS tracking system for school buses provides parents, school administrators, and teachers with the ability to monitor the location of buses, ensuring transparency and security during the commute.

**Communication Channels:** Establishing clear communication channels between the transport department, parents, and school administration is essential. Regular updates about routes, schedules, delays, and any changes are always communicated effectively through emails, class tag, or other means.

**Well-maintained Buses:** We provide and maintain cleanliness, comfortable, and well-equipped buses thus enhance the overall experience for students. Comfortable seating, air conditioning, and adequate lighting contribute to a positive journey.

**Friendly and Trained Staff:** Drivers and Educational Assistants are well trained not only in driving skills but also in customer service. A friendly and helpful attitude from staff can contribute significantly to the students' overall well-being during their commute.

**Feedback Mechanism:** Regularly seeking feedback from parents, students, and staff always helps us to identify areas for improvement. Conducting surveys or holding feedback sessions always provide valuable insights into the quality of our transport services. We have taken actions to discipline our staff who have been reported by stakeholders of their unacceptable behaviors whilst providing the service.

By providing these services and initiatives, the Transport Department at KoroBoro International School always contribute significantly to maintaining the school's reputation as the best in the business in Town.

**2MD-week 8 for informer.**

This week the 2MD class activities were more or father's day oriented were by, the children had several activities to do as a class regarding the Father's Day Assembly:

This week the 2MD class activities were more or less father's day oriented, we had fun with a lot of activities regarding the father's day assembly.

Used paper plates to make decorations for the hall

the children had to write their fondest memories of their fathers and we got them published father's day cards done by the kids

GIFT- they had their photos with their dads, and we did a wall hanging.

After today's father's day assembly we are back to normal lessons: Math's- we are learning to divide using number lines.

Phonics- we are learning to use beginning consonant cluster.

Writing- we are learning to identify structure and language features of a procedural text.

With all that's being said we would like to wish you all a happy celebration!

### Learning Inquiry

*in* 5BD

Theme: Continuity, Time and Change

Focus: Effects of Post-Independence

Papua New Guinea is few weeks to celebrating its 48<sup>th</sup> Independence as a democratic nation, and in 5BD we have been learning about the effects of post-independence.

As students progressed into this inquiry stage of “Going Further”, they have engaged in learning activities that have fostered deeper understanding of PNGs history and the significance of key events, influential figures and consequences of decisions that have contributed to the nation’s current state.

Students completed an interview in the learning activity to find out what different people think about the post-independence events. Below are some photos showing the interviews taking place.

Boro PE News Extraordinary Achievements in Athletic Skills Unveiled!

Embracing the spirit of athleticism this term, our students are on a journey of mastering the art of running (track events), throwing, and jumping (field events) with tremendous enthusiasm and dedication.

The students are fully immersed in honing their running skills through exhilarating activities like the shuttle relay and spirited sprint races. These activities have proven to be a fantastic way for our students to build endurance and refine their running techniques.

In the realm of throwing, particularly shot put, our students are showing remarkable progress. They're engaging in delightful activities such as push-throwing bean bags and demonstrating their agility through scissors jumps over flag taps, leading to impressive high jumps onto the mattresses.

A true testament to their hard work and growth, the students astounded everyone with their prowess during the Inter-House Athletic Carnival. The carnival featured captivating 70-meter sprint races, exhilarating shuttle relays, and modified throwing and jumping events tailored perfectly to the students' age group. Beyond the thrill of competition, the students radiated sheer joy throughout the day, creating unforgettable memories.

The pinnacle of achievement awaits those who have truly excelled, as they earn the honour of representing the school at the upcoming Inter-School Athletic Carnival. This showcases not only their outstanding skills but also the dedication and passion they've poured into their athletic journey. We couldn't be prouder of their accomplishments and look forward to cheering them on as they reach for new heights.

POSITION (INT)	4	2	3	1
POSITION (SNR)	1	4	2	3
POSITION (TOTAL)	1	4	2	3

In 2023, the InterSchool Athletics event spanned two days. On Wednesday, August 30, 2023, the Junior Division and the Lower Intermediates Division gathered at Koro Campus. Participants from the age groups of 2017 to 2013 engaged in thrilling 85m sprints and a challenging shuttle relay. The Field events saw competitors from the 2014 and 2013 age groups, showcasing their skills in High Jump, Long Jump (modified), Shot Put, and Discus. The Lower Intermediates' scores were later combined with those of the Upper Intermediates on Thursday.

On Thursday, August 31, 2023, the Senior Athletics Carnival took place, including participants from the 2012 and 2011 age groups. Following intense competition among Temis, Gordon, and KoroBoro in the 2012 and 2011 age groups, KoroBoro emerged victorious once again in the Intermediate division, reclaiming the shield for another year.
