## WHAT YOUR DOLLARS HELP FUND

### NEW FITNESS EQUIPMENT

For the safety of our students, we will need to replace one of our main jungle gyms within the next few years. Dollars fundraised through this campaign will go towards this purchase and other fitness equipment needs within the school.

### CLASSROOM FIELD TRIPS

The PTO helps support teachers as they plan field trips for several classrooms throughout the school year. An example includes the class trips to the Capital.

### TEACHER AND STAFF APPRECIATION

We are so grateful for our staff and we make sure they know it! We show our appreciation by providing them with a meal and treats throughout the busy school year.
