Turn Off “Auto Replenish”

From the Food Accounts page, do the following:

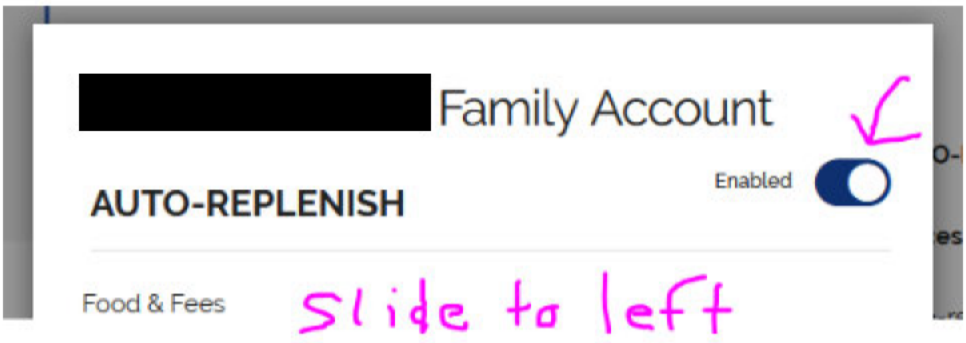

1. click on "Set up Auto Replenish"

Here is what it looks like when it is off. Click on the blue button:

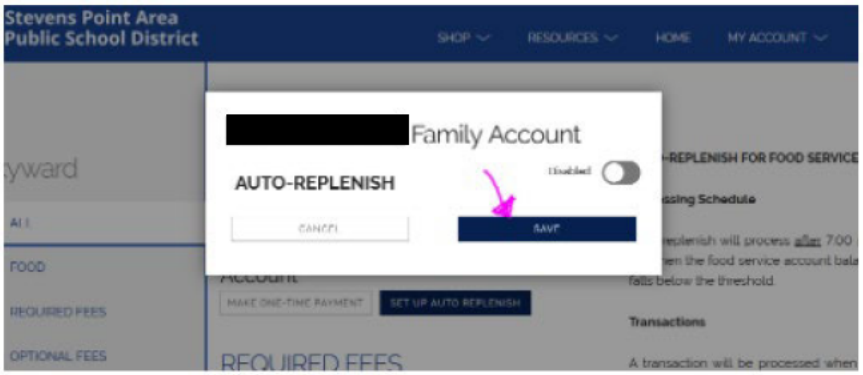

A new window opens

2. slide the button to the left to turn “auto replenish” off. Here is what it looks like when it is enabled:

Once you slide it over to the left it should look like this:

3. Click "SAVE"
