Mission Statement

We will: Empower, Prepare, Inspire, and Connect each learner to achieve his/her life aspirations. We will continually grow as an innovative education community, committed to learning of all.

Superintendent's Highlights

The Douglas County School District is the 7th largest school district in Nevada with an enrollment of approximately 5400 students. DCSD consists of 14 schools in the communities of Gardnerville, Minden, and South Lake Tahoe, Nevada in the beautiful Carson Valley and Lake Tahoe Regions.

We are proud of our students, staff, parents and community for their dedication in meeting the needs of all students. We continue to be excited about our work district-wide with EPIC Learning. As a district, we are committed to modernizing classroom instruction and personalizing student learning. Our EPIC Instructional Model includes 3 pillars: Positive Culture, Learner Centered, and Responsible Instruction. Our goal is to develop students who are problem finders who struggle and fail forward in their quest to grow through risk-taking, collaboration and reflection. Our staff assess continually to respond and adapt—creating individuals and authentic learning. And finally, with integrity, we promote empathy, compassion and respect affirming our commitment to making a positive difference in the lives of our learners.

As part of our EPIC Learning movement, Douglas County School District has also developed a "Portrait of a Graduate", which outlines the attributes we expect all DCSD learners to possess when they graduate. In DCSD, our graduates are EPIC learners who demonstrate the following: 1) Empowered Learners set goals, create opportunities, and explore options for meaningful learning. This learner has high self-efficacy, social awareness, and the skills and the know-how to take on worthy challenges and goals, 2) Prepared Learners possess the tools and perseverance to be a critical thinker who is motivated to take the next step in their journey, 3) Inspired learners are on fire (passionate) to discover challenges and make the world a better place, and 4) Connected Learners develop relationships beyond the school environment. They pursue their interests and passions, utilize technology and act in a way that allows them to thrive and contribute to their community.

DCSD also values our relationship with our families and communities. We encourage visitation to our schools and for all stakeholders to play an active role in the education of our students. As a collaborative effort, we know that all DCSD students will be successful both now and in their future.

As a district, we are proud of the following accomplishments:

1. Alyssa Park, 4th grade teacher at Scarselli Elementary School, was named the 2022 "Change Agent" Teacher of the Year
2. Pam Gilmartin, Principal of Jacks Valley Elementary School, was selected as the NASB School Administrator of the Year.
3. Holly Kuhlmann, Librarian at Douglas High School, was selected as the NASB School District Employee Making A Difference recipient.
4. Tammy Owens, Music Teacher at Douglas High School, was named the 2021 Nevada Music Educator of the Year
5. Rita Borselli, CTE Teacher at Douglas High School, was named the 2021 Outstanding CTE Educator
6. Niche.com ranked DCSD as the 2022 #1 school district in the state of Nevada.
7. U.S. News & World Reports ranked Piñon Hills Elementary School as the #15 Elementary School in Nevada.
8. Achieved a Stage 4 of 7 in the implementation of EPIC Learning through Modern Teacher.
9. A focus on the safety of our students and staff through our partnership with the Douglas County Sheriff's Office that provides four (4) school resource officers to our schools.

10. In collaboration with the Nevada Public Agency Insurance Pool (POOL), DCSD piloted the implementation of the “OpenGate Weapons Detection System” to further enhance safety and security at our school sites.

11. A commitment to the professional and leadership development of our employees through an induction program for all new certified staff, a Leadership Academy for current and aspiring administrators, and PD for all employees through our district professional development center.

12. A commitment to open and accessible communication with our school community through biannual site communications meetings, bi-monthly employee group meetings, and community town hall meetings with the superintendent and executive staff.

13. In just 10 years, Douglas County School District increased internet speeds for students by 4000%. In year 2011, DCSD had a single 25 Megabyte Internet connection. Today, the minimum Internet connection at each school is 1,000 Megabits (1Gb), with some schools connected at 10Gb. This means rigorous and engaged learning for students which includes online research, creating video short stories, and solving real world issues through the use of their connected world.

Goals and Objectives

District Goals and Objectives 21-22
Goal 1: Student Success with Equity and Access
Objective: Every classroom will provide equitable access to rigorous and relevant learning opportunities ensuring academic growth for every learner. Every learner in DCSD will be prepared for their career, college pathway, and life by earning a DCSD diploma.
Goal 2: Social Emotional Academic Development
Objective: Every classroom will provide time and teach the strategies necessary to create a caring environment that is emotionally and physically safe.
Goal 3: Internal and External Communication
Objective: All DCSD employees, parents, students, business and community members will have up-to-date and transparent communication of the school district.

District Communication Efforts

Douglas County School District considers parent communication essential to student academic and social emotional growth. Recognizing the importance of maintaining open two-way communication with our parents and community, we have the following in place:

- District and School websites
- Social Media (Facebook, Twitter, Instagram)
- Messages through Infinite Campus (IC)
- School Newsletters
- District Parent Advisory Council (DPAC)
- Remind Application
- On-line access to student information in IC for parents, student progress reports, district and site parent advisory councils
- Parent-teacher Conferences
- Family involvement nights which target Nevada Academic Content Standards in addition to mathematics, science, reading, and English language arts, career technical education, gifted and talented education, and English language learners
- Parent/community volunteers and tutors
- Back to School Nights
- Parent resource guides
- Community partnerships
- Wrap-Around Services
- Parent and community surveys
- Translation services as needed
- Parent representation on Strategic Plan, School Performance Plans (SPPs), and District Performance Plan (DPP) teams
- Town Hall Meetings

Discipline

School safety is a priority in Douglas County Schools. All educational stakeholders work together to create school climates which are inviting, supportive and hold high expectations for appropriate behavior. Site principals work with their Multi-Tiered System of Support Team to align expectations and corrective actions across the system. The following list is a compilation of practices offered at various schools within our district consistent with ensuring a safe, respectful, and responsible learning environment in our schools:

- Positive Behavior Intervention and Supports (PBIS) including opportunities for restorative practices
- Positive Student Behavior Intervention Plans
- Civility Policy
- Safe and Respectful Learning Environments Policy
- Social Emotional Learning support
- Student at Risk Team (STaR)
- Threat Assessment Team (for students presenting safety concerns to self or others)
- District Safety Manual and drill protocols
- Four School Resource Officers
- District Safety Task Force
- School Social Workers
- Counselor implementing social emotional learning curriculums
- Random Acts of Kindness

- Anti-bullying training and reporting
- Safe Voice anonymous tip line
- Handle With Care
- Community partnerships to support Trauma, SEL, etc.
- Tools Not Rules
- Emergency Operations Plan
- Restorative Discipline Plan
- Character Strong

Curriculum Details

The Douglas County School Board of Trustees recognizes the responsibility for the quality of the educational program of the schools in Douglas County School District and directs the district curriculum and assessments be evaluated, adapted, developed and revised on a continuing basis to ensure a rigorous academic experience for all students. The standards, curriculum, and assessments of the Douglas County School District are to remain consistent with the written Strategic Plan Goals and objectives. They are designed to develop individual talents and interests and provide for continuous learning through effective articulation and encourage the utilization of community resources.

The Douglas County School District standard core academic curriculum consists of English language arts, mathematics, science, social studies, and computer science. Curricular and instructional support is also provided in the areas of technology, fine arts, career and technical education, world languages, health, and physical education providing students with a well-rounded, full curriculum. The foundation of the curriculum in Douglas County School District is on Nevada Academic Content Standards in all content areas. Curriculum documents are currently in various states of development to reflect the ongoing revisions for each grade level and subject area based upon state standards. Each content area is systematically reviewed and revised as needed to align with the rigor demanded by the Nevada Academic Content Standards.

The curriculum includes:

- Alignment to the Nevada Academic Content Standards
- Educational programs and services for all students with differing abilities
- Compensatory and remedial education programs for students
- College and Career Readiness and career/technical education
- Educational opportunities for academically talented students
- Opportunities for dual credit with state community colleges
- Programs and services of school-level library/media facilities and class text collections which support the educational program
- Edgenuity online curriculum and Douglas Nevada Online (DNO) for students needing an online option
- EPIC learning instructional model to provide more personalized delivery of curriculum.

The Douglas County School District has adopted a literacy plan which addresses literacy instruction from birth to graduation. At the heart of literacy instruction is the strong-held belief that all students can become independent readers and writers. Douglas County School District's commitment to literacy begins before kindergarten and offers support for students in all content areas through their senior year of high school. The Nevada Academic Content Standards provide the framework for "what" students need to be able to demonstrate and the Douglas County School District Literacy Plan explains "how" the teachers will ensure instruction meets the needs of all students. Teachers in the Douglas County School District are expected to follow a balanced literacy approach to literacy instruction that is rooted in years of research across all grade levels and all content areas. Student progress toward achievement is continually assessed in a variety of ways. Teachers are expected to use a wide range of data and student benchmark expectations to determine appropriate interventions when differentiating instruction, providing remediation, and extending learning opportunities for our students. Additional learning opportunities for students include summer school, Saturday school, alternative education, on-line course work and site tutoring to provide enrichment and remediation opportunities.

Demographics and Student Information

Data are provided by the Nevada Department of Education from the state student information system. Gender, race/ethnicity, and special student populations are reported as of validation day.

Data as of Validation Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'**' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

'|' means these schools are CEP or Provision 2 Schools and officials do not track who eats breakfast or lunch.

Adult Education is not included in the totals.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

Data as of: End of school year

'*' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'**' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

**The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

Data as a of: Previous School Year

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

*** indicates that the data was not available.

Data in grade 9-12 excludes pupils:

who successfully completed HSE assessment,

who are enrolled in approved courses for an adult standard diploma, withdrew from school to attend another school.

Data is not displayed for a group where enrollment information is missing.

Negative value indicates rate cannot be calculated due to zero enrollment.

Nevada System of Higher Education Remedial Data

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

	# Enrolled	# Remediated	% Remediated

Cohort graduation rate data is lagging data.

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.nv.gov.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
