# FROM THE BOARD PRESIDENT

**JULIE  
PIERCE**

Dear Friends,

I am pleased to present the Marshall School 2022-2023 Annual Report, a reflection of the remarkable journey we have embarked upon as a school community. As the Chair of Marshall School's Board of Trustees during the past school year, it is both an honor and a privilege to share with you the progress, achievements, and aspirations that have defined this past year.

Throughout the year, our dedicated educators have embraced innovative teaching methods, ensuring that our students received a well-rounded and holistic education. We have witnessed their passion in creating engaging learning environments, whether in a science class conducting experiments down at Brewery Creek, in an English class preparing for Poetry Out Loud, or in an iTerm class leading students in sled design.

Our students, too, have risen to the occasion, showing remarkable ingenuity and an eagerness to learn that is truly inspiring.

I am proud to share that our fundraising year was a resounding success and brought excitement and fun to the year, thanks to the generosity of our parents, alumni and community partners. These funds have enabled us to enhance our facilities, provide scholarships, and invest in our teachers and students.

Looking ahead, our aspirations remain ambitious. We aim to further strengthen our curriculum, expand our extracurricular offerings, and continue investing in professional development opportunities for our faculty. Our world language classes will once again be traveling abroad and we are expanding our internship programs.

None of our achievements would have been possible without the collective effort of our dedicated faculty, staff, parents, board, alumni, and friends. Your support, commitment, and passion for our school have been instrumental in shaping the successes we celebrate today.

I encourage you to explore our Annual Report to gain insight into the multifaceted accomplishments of our school community. Together, we have achieved much, and together, we will continue to build an educational institution that empowers students to excel, innovate, and contribute positively to society.

Thank you for your unwavering support, and I look forward to the exciting journey that lies ahead.

Kind regards,

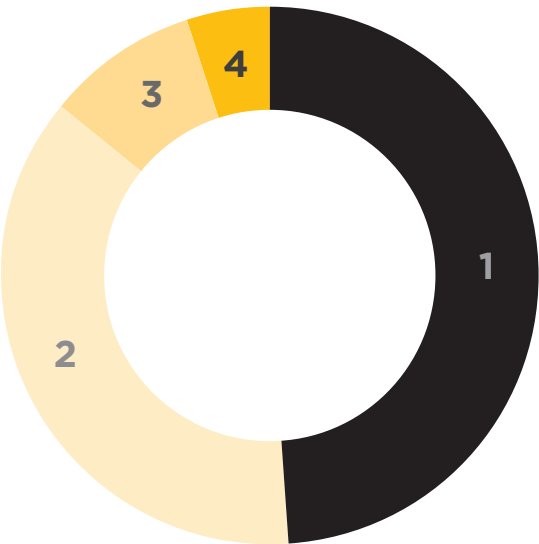

**Julie Pierce**  
President  
Board of Trustees 2022-2023

# FUND-A-NEED

Each year, the Marshall School community joins together in a special fundraising effort to address a pressing campus-wide need that will benefit all of our Hilltopper students, staff, and faculty. This year's Fund-a-Need supported a gym refresh that included a refinished gym floor, wall padding, new secure doors, and fresh paint.
