

SCHEDULE FOR LATE BUSES ON WEDNESDAYS FROM MOON AREA MIDDLE SCHOOL 4PM PICK UP

These routes are the routes that the bus will follow, dropping students as close to their homes as possible along the way. These times are only accurate if the bus had to stop at each stop. Students may arrive home earlier or later depending on how many students are riding on that day. We will not be going into neighborhoods as far as we do for regular home to school routes. Not all students will be dropped at their regular stops. Most students will have to walk further than usual.
