Agenda

- Approved [9/12](#) meeting minutes unanimously
- Discussed curriculum policy review:
 - We discussed this process with Marc Smith and planned for him to join our November meeting
 - Marc will present the full committee with information about this process and propose ways the committee can support it
 - Next steps: Marc and Melissa will identify curriculum policies that have a financial component and/or impact and present the subcommittee with a prioritized list of policies to review at the November meeting
- Discussed potential policies for review:
 - Business Manager Michael McMillian is requesting the district have both an investment policy and public gifts to schools policy. He will join our December meeting to discuss further.
 - We identified the following policies to review within the next few months:
 - Student to Student Harassment
 - Antidiscrimination
- Reviewed Policy Files:
 - School Committee Meetings policy ([FILE BE](#))
 - Noted this is not urgent and will review in January, closer to the March date when the current remote participation
 - Student Welfare ([File JL](#))
 - The biggest change is related to mandated reporting. Melissa presented to all staff on mandated reporting and bullying.
 - It was noted that the district has a MOU with the police and DA
- Adjourned at 8:37pm
