

Discipline Complaint Procedure

Students, parents and other guardians, and school staff (Complainant) may file a complaint and seek corrective action when the requirements of the Minnesota Pupil Fair Dismissal Act, including the implementation of the behavior and discipline policies are not being implemented appropriately or are being discriminately applied.

The discipline complaint process is initiated when a Complainant completes and submits a Discipline Complaint Form to the school district superintendent or the superintendent's designee.

A [Discipline Complaint Form](#) is available on the school district website and in administrative offices.

Investigation of the complaint will commence within three school days of receipt of the complaint. The superintendent will direct the investigation and will designate and identify the school district personnel who will manage the investigation and who are responsible for keeping and regulating access to any resulting record. The school district may use outside counsel as it sees fit.

Upon completion of the investigation, a Written Determination addressing each allegation and containing findings and conclusions will be issued to the Complainant in a manner consistent with the Minnesota Government Data Practices Act.

If the investigation finds the requirements of the Minnesota Pupil Fair Dismissal Act (Minnesota Statutes, sections 121A.40 to 121A.61), including any local policies that were not implemented appropriately, contain procedures that require a corrective action plan to correct a student's record and provide relevant school district staff with training, coaching, or other accountability practices to ensure appropriate compliance with policies in the future, the superintendent or the superintendent's designee will take necessary measures.

Reprisal or retaliation against any person who asserts, alleges, or reports a complaint is prohibited. The school district will take appropriate action consistent with Minnesota law and school district policies in the event that an individual or individuals are found to have engaged in reprisal or retaliation.
