Our Story

Horizons started as a two-year pilot program in 1991 with 92 students. We have continued to grow, becoming a charter school in 1997. Teacher-led, Horizons has been educating the city of Boulder for over 30 years!

Our Vision

Our vision is to develop a community of reflective learners who advocate for themselves, others, and a just world.

Our Mission

Our mission at Horizons is to guide students to become self-directed learners in a supportive, collaborative environment rooted in critical thinking, justice, and choice
